

Terumo Opportunities at the American College of Cardiology Scientific Sessions: March 13-16, 2010, Atlanta, GA

Terumo Will Participate in Two New Educational Initiatives at ACC Hands-on Learning Lab and Hybrid Cath Lab/OR Suite

Attendees of the American College of Cardiology's 59th Scientific Sessions this year will experience two new educational opportunities, The *Hands-on Learning Lab* and the *Hybrid Cath Lab/OR Suite* sessions. Terumo will participate in both programs, building on its industry-leading transradial education focus, while also highlighting the Glidewire Advantage™ Peripheral Guidewire which enables an operator to use a single wire to both cross the lesion and deliver an interventional device.

Hands-on Learning Labs

Exhibit Hall, Booth #3636

When: Sunday, March 14 and Monday, March 15
