Coding and reimbursement information provided is general coding information only. It is not advice about how to code, complete or submit any particular claim for payment. Although we supply this information to the best of our knowledge, it is always the provider's responsibility to determine and submit the appropriate codes, charges, modifiers and bills for the services that were rendered. Payors or their local branches may have their own coding and reimbursement requirements. Before filing any claims, providers should verify these requirements with the payor.
